

welcome on board!

Supperclub Cruise was built in 1960 and formerly owned by the Rotterdam port authority, this colossus used to be Queen Juliana's first choice when it came to showing her guests the impressive Rotterdam harbours. Whenever she felt like cruising, the Pieter Caland (Supperclub Cruise's name back then) would be decked out to carry her Majesty and VIP guests over the Rotterdam waters in style.

The exact same way we're planning on carrying you too tonight. Keep track of our journey through the Amsterdam waters via the several screens and don't forget to pay a visit to the captain's cabin while you're at it!

events

The basic ingredients of Supperclub Cruise are to a great extent the same as the club in the city centre: extravagant drinking, dining and partying in a sense-serving entourage. Even so, there are a number of important factors, which make the cruise a unique, sensational location for a party, a company event, a presentation or.... a wedding.

Whatever you want, everything is possible at Supperclub Cruise. We have a professional creative team at your disposal ready to make your (party) dream come true. Better and more beautiful than you ever could have imagined!

A few ideas: marry in the open air, throw yourself or a loved one an awesome birthday party, organize trendy and/or functional meetings, inspiring meetings, original team building events, personnel parties and much more!
